CHRISTMAS LIGHT INSTALLATION

This year, skip the ladder.

I bring commercial-grade lights, cut them to fit your roofline and clip them on. A strand goes out, I fix it. After the holidays I take them down and store them for next year.

$600 ROOFLINES FROM LIGHTS INCLUDED

- Commercial-grade LEDs
- Custom-cut to your roof
- Clips, no nails or staples
- Repairs all season
- Takedown and storage
- Free quote

One story $5 to $8 a foot, two stories $7 to $10, before tax. Steep roofs, trees and wreaths are quoted on their own. I confirm the price after I see the house.

Stays lit, or I fix it free.
A strand quits in the middle of the season? Call or text and I come back out.

I'm the one on your roof.
Owner-operated, licensed, bonded and insured. The ladder is my risk, not yours.
